USPS Shipping Products and Services Webinar Series

August 4, 2015, 11a.m. EDT – Pickup Services

Join us as the Postal Service continues to host its series of informational webinars on a variety of products and services. The webinars will focus on service enhancements, features, benefits, how to get started, and onboarding information to acquire the knowledge and skills to effectively use the service.

Tuesday, August 4, 2015 at 11a.m. EDT – **Pickup Services**

Package Pickup services allow customers to request pick up of a package or packages, by their USPS carrier, the next day during their regular delivery. **Pickup on Demand** is a time-specific request, for which a fee is charged and packages can be scheduled for pick up within a two-hour timeframe of the customer's choice. Package Pickup and Pickup on Demand are both scheduled through USPS.com.

Speaker: Patricia Harris, Product Development Specialist, Sr.
